

# Mary River Bridge maintenance works (Bauple - Woolooga Road)

## Works overview

The Department of Transport and Main Roads (TMR) will be undertaking maintenance works on the Mary River Bridge on Bauple-Woolooga Road in Gundiah, in early 2025.

Works include replacing some of the Mary River Bridge superstructure such as girders and corbels to keep the bridge safe and operational.

Works will commence from **28 January 2025** and take around two weeks to complete, weather and other conditions permitting.

The bridge will remain closed to all traffic from **6am-6pm Monday to Friday** until the works are completed.

Electronic signage will be in place along the road prior to works commencing to notify road users of specific dates and times.

Up-to-date information on the works will be available from the *QLDTraffic* website ([www.qldtraffic.qld.gov.au](http://www.qldtraffic.qld.gov.au)) or *QLDTraffic* app (available from your app store).

## Construction impacts

During construction nearby residents, businesses and road users can expect the following:

- **Traffic delays:** motorists should expect delays and are reminded to observe traffic signage and be aware of changed conditions
- **Construction noise and dust:** heavy machinery will be used during the work period resulting in localised noise and possible dust impacts. The project team understands the inconvenience this may cause and will reduce these impacts wherever possible.
- **Changed traffic conditions:** speed restrictions, lane closures and detours may be in place during the works. Motorists are urged to drive to the changed conditions and obey all signage and traffic controllers' directions.

TMR thanks motorists and nearby residents and businesses for their patience and cooperation while these works are carried out.
